Information required for a single-family tree removal permit:

1. Identify all trees on the property, indicating the tree(s) to be removed/relocated either on property survey, aerial photograph, or hand drawn sketch. The plans shall delineate the tree species, height and size (DBH).

2. If a tree is diseased and deemed unsafe, please verify by written documentation signed by a licensed professional (forester, arborist or horticulturalist) and attach documentation.

Information required for residential subdivision, multi-family, commercial or institutional development tree removal/relocation permit.

1. Identify all trees on the property, indicating trees to be removed either on a site or aerial photograph (scale of one (1) inch: two hundred (200) feet or smaller). Plans or an aerial photograph shall delineate the tree species, height and size (DBH). (to be removed is deleted)

2. Trees that are diseased and deemed unsafe must be verified by written documentation, signed by a licensed professional (forester, arborist or horticulturalist) and attached to application.

Submit a written justification statement for the proposed tree(s) removal based on the criteria contained above. Sites to replace trees must be included in site plans and project description.

FEE: \$50.00 In addition to the application fee, the applicant shall be billed for the actual expenses related to the Town of St. Leo's Planning Consultant review of application. This may include, but not be limited to, time spent reviewing the application for completeness, preparing a report to the Town Commission, telephone conversations and/or written correspondence to the applicant, and attending any meetings with the applicant, including Commission meetings, if necessary. The Town Commission may request an advanced partial payment based on an estimate of the Planning Consultant's fees and expenses.
