

RESOLUTION NO. 12-09

RESOLUTION OF THE TOWN OF ST. LEO, FLORIDA,
IDENTIFYING THOSE PUBLIC FACILITY PROJECTS TO BE
FUNDED BY THE GOVERNMENT INFRASTRUCTURE SALES
SURTAX OF ONE CENT.

WHEREAS, Section 212.055(2), Florida Statutes, the “Local Government Infrastructure Surtax Act,” authorizes the Board of County Commissioners of Pasco County to impose a local government infrastructure surtax of 1% upon transactions occurring within Pasco County that are taxable under Chapter 212, Florida Statutes, and

WHEREAS, monies received from the local government infrastructure surtax authorized by Section 212.055(2), Florida Statutes, shall be utilized to acquire land, finance, plan, and construct infrastructure, and to acquire land for conservation and the protection of natural resources to benefit its citizens, and

WHEREAS, the proceeds of the surtax shall be distributed in accordance with an Interlocal Agreement between Pasco County, the six municipalities, and

WHEREAS, a description of the projects to be funded by the Town of Saint Leo’s distribution of the sales surtax is set forth in this Resolution.

NOW THEREFORE, BE IT RESOLVED BY THE TOWN OF ST. LEO TOWN COMMISSION:

SECTION A. INTERLOCAL AGREEMENT

Pursuant to the provisions of Florida law, the Town will enter into an Interlocal Agreement for distribution of the surtax revenues. That Agreement provides that “no later than July 1, 2012, the parties to this Interlocal Agreement shall each adopt by Resolution a brief general description of projects that will be funded from the surtax proceeds from the period of the tax through December 31, 2024.”

SECTION B. USE OF SURTAX PROCEEDS

The surtax proceeds shall be used by the Town of St. Leo for the following purposes:

1. Transportation infrastructure which, for the purpose of this Resolution, means any fixed capitol expenditure or fixed capitol outlay associated with the construction, reconstruction, or improvement of roads, sidewalks and transportation facilities, and any land acquisition, land improvement, design, permitting, and engineering costs related thereto.
2. Public drainage and water quality infrastructure designed to protect and improve the Town’s natural resources, including the water quality in Clear Lake and Finger Bowl Lake, including without limitation storm water controls.

3. Acquiring public safety vehicles for use as Police Department vehicles, Fire Department vehicles, emergency medical vehicles, or any other vehicles and such equipment necessary to outfit said vehicles for official use.

4. Other public facilities infrastructure which, for the purpose of this Resolution, means any fixed capitol expenditure or fixed capitol outlay associated with the construction, reconstruction, or improvement of public facilities and any land acquisition, land improvement, design, permitting, and engineering costs related thereto including without limitation renovation, expansion, and upgrading of Town Hall and associated improvements and extension of water lines and fire hydrants.

5. Costs incurred for the financing, planning, design, engineering, construction, reconstruction, or improvement of public facilities, including the acquisition of right of way or land necessary for such public facilities.

SECTION C. TOWN COMMISSION MOTION

The foregoing resolution was adopted by the St. Leo Town commission vote as follows:
